

Appendix 4

Stakeholders

The following groups, agencies, organisations are stakeholders of the Trust. All stakeholders listed here will be notified of the Strategy and the document will be forwarded to them on request.

Bulleted entries under a main stakeholder entry refer to subgroups or departments which will be separately notified of the Strategy as they have specific responsibilities under it (in the case of external stakeholders, these responsibilities relate to services provided to the Trust under Service Level Agreements).

The Strategy will be included on the Trust's intranet and will be available to service users or members of the public or other agencies on request
