# Primary Care Services - Logging Compliments

**Compliment received by the Practice**

↓

**Send compliment (scanned document or email) to:**
*elft.pals @nhs.net* →

**All compliments are triaged and logged onto Datix by the PALS team.**

↓

**Details of compliments received can be retrieved from Datix for reporting purposes.**

**Provide team and/or service name, the name of the staff member being complimented, and the sender details. This will help the team to log the compliment against the correct team/person. If all the details are not known, please provide as much information as possible.**
