- 29.1. Once the recruitment officer has received the successful candidate form, and interview notes plus other documents as proposed on page 19 for all candidates a conditional offer will be sent via email. References will be requested once a conditional offer has been sent.
- 29.2. The purpose of references is to check facts such as the applicant's qualifications and previous job history.
- 29.3. For internal staff that have been successful in obtaining another post within the Trust, only one reference is required from the current line manager.
- 29.4. For all bank/agency and external staff two references must be obtained, from the two most recent employers and must cover a period of 3 years.
- 29.5. References should be obtained from people who have actually managed the candidate or supervised them in an educational capacity.
- 29.6. If an applicant has worked only as a volunteer, references should be obtained from a person in a position of responsibility in relation to the applicant, for example a person with management responsibility. If necessary, character references may be undertaken if the applicant has not worked recently. This reference should come from someone in a position of responsibility (police, lawyer, doctor etc) that has known the applicant for at least 2 years.
- 29.7. Clinical References should be obtained from the applicant's clinical line manager and the medical director. Where this is not possible, Managers should seek advice from Human Resources.
- 29.8. Most organisations have a policy to only provide a basic factual reference which will confirm the candidate worked for them, the dates, the job title, salary and hours of work. This does not mean this is an unsatisfactory reference.
- 29.9. All references are obtained by the Recruitment Team either via email or via NHS Jobs.
- *29.10.* References will be forwarded to the recruiting manager to view any concerns should be raised with the RO.
- 29.11. The Recruitment Officer should ensure the references cover a period of 3 years and are from a professional email address. Any gaps in employment must be discussed and notes to be saved in Electronic Filing System (EFS) file this is the responsibility of the Recruitment Manager.

#### **30. Occupational Health Checks**

- 30.1. All staff must have a pre-appointment health assessment which complies with equality legislation and good occupational health practice. Health assessments will be done when a member of staff:
  - Takes up their first post within the Trust (permanent or temporary), whether this is preceded by a period of training or not
  - Changes job, where this involves a significant change of duties
  - No applicant should be refused employment on health grounds unless:
  - Expert occupational medical advice has been sought
  - The applicant has had the opportunity to discuss issues raised with an occupational health professional
  - The employing manager has fully considered all the facts (advice should be sought from Human Resources)

#### 31. Start dates

- 31.1. Upon receiving the conditional offer letter, the candidate will be instructed to call the RM to arrange a potential start date. The candidate is given 5 days to call HR and arrange for the pre-employment appointment checks. At this appointment a DBS check will be submitted and all OH & Payroll forms will be taken.
- 31.2. If references are not back the candidate will be asked to prompt their given referees or provide an alternative.
- 31.3. Should pre-employment checks not be completed or be returned by the agreed provisional start date, the date will be delayed. Under no circumstances should an employee and manager agree a start date without having a confirmation letter from HR.

#### 32. Confirmation of Start Date & Booking of Induction

- 32.1. Once we have 2 references, DBS & OH, the start date will need to be agreed between the candidate and RM.
- 32.2. Once this has been agreed, the date should be confirmed to the RO who will send out the confirmation letter confirming the date, induction dates and what to do on the first day.
- 32.3. Candidates will be asked to come to HQ, to collect their Trust ID Card and RiO/Smart card.
- 32.4. A RiO/ Smart card will not be issued if a Trust IT account has not been set up.
- 32.5. Further communication about induction will be sent direct to the RM and candidate from the Training Department.

# 33. Agency Staff

33.1. All agencies used by the Trust will be part of the London Agency Project (LAP) Agreement or Buying Solutions approved. These agencies are obliged to carry out pre-employment checks on their staff before supplying them to the Trust and provide evidence of their completion to RO responsible for agency requests before the locum/agency employee takes up their post. The Agency Workers Regulations 2010 results in agency workers qualifying for the basic terms and conditions after working for an organisation in the same role for a continuous period of 12 weeks (e.g. working 12 Mondays qualifies as continuous). To avoid potential claims of employment rights the recruiting manager needs to have effective monitoring systems to ensure that Agency staff leaves on the agreed date. If the recruiting manager wants to extend the agency workers contract, approval from the designated Executive Director should be obtained.

#### 34. Honorary Contracts

- 34.1. The Trust will issue honorary contracts to staff that are coming from another NHS Trust; if the candidate's current Trust can confirm the right level of checks has been conducted no further pre-employment checks will be undertaken.
- 34.2. If for any reason the checks are not to our Trust requirements then the relevant checks will be conducted prior to commencing the contract.
- 34.3. RM's will agree the length of the contract and obtain contact details of their HR from the individual. RM to forward these details to RO and a Research Passport will be sent to the current employer to gain confirmation of the checks conducted.
- 34.4. RO to issue a contract to the individual and enter onto ESR.
- 34.5. If an honorary contract is for less than 6 months, the candidate will not be booked on to induction
- 34.6. Please refer to the Honorary contract process for additional information.

#### 35. Work Placements

- 35.1. Work experience in any clinical settings should not be offered to anyone under the age of 18.

#### 36. Volunteers

36.1. All volunteers must contact the Trust volunteer co-ordinator

### 37. Payroll

- 37.1. Payroll Forms are sent via email with the conditional offer letter; candidates complete the documents and bring them to the pre-employment check appointment.
- 37.2. RO's will then enter the details onto ESR (HR Database) and send the paperwork to Payroll on or as close as possible to the start date.
- 37.3. Substantive staff are paid on a monthly basis, on the last Wednesday of the month. Bank staff are paid weekly. Any Bank staff transferring to a monthly payroll are required to complete all payroll paperwork again. Details cannot be copied over from their weekly records.

#### 38. ID Badges & Smartcard (RiO Card)

- 38.1. Photos for the smart card and ID badge are taken at the pre-employment meeting. All staff are asked to come to East One on their first day to collect both cards.
- 38.2. Recruitment officers will complete the mandatory checks on ESR and then associate the records on NHS Spine Portal for Registration Authority on the first day. An invite to smartcards will be sent prior to the start date, this will ensure the new member of staff only comes to East One once.
- 38.3. RiO/Smart cards will NOT be issued if the new member of staff does not have an IT account set up. It is the RM's responsibility to request IT accounts.
- 38.4. HR will confirm to the staff member that ID badges must be worn whilst on site.

#### 40. Flexible Working Policies

40.1. The Trust is committed to developing and implementing flexible working policies which will assist in the recruitment and retention of skilled and experienced employees who cannot work full-time.

#### 41. Filling Posts Creatively

41.1. The Trust recognises that there are great difficulties in recruiting certain staff groups. Managers are encouraged to be creative in deciding how to fill posts, particularly where a post has been vacant for a long period of time. In particular, managers are encouraged to work with the Human Resources Department in reviewing the skill-mix within their service and thinking of innovative ways to recruit staff. This may include the use of alternative media, partnerships with other agencies, advertising posts as secondment opportunities, acting staff up etc.

#### 42. Data Protection Act

- 42.1. The Trust will carry out all pre-employment checks in compliance with the Data Protection Act 1998. Information will only be obtained where it is essential to the recruitment decision.
- 42.2. Pre-employment checks will only be made after the verbal conditional offer has been made to the successful candidate and has been accepted.

#### 43. Confidentiality

#### 44. Service Level Agreement (SLA) 44 Days to Recruit

- 44.1. The Recruitment Team and the RM's will work together to ensure we meet the SLA timescale.
- 44.2. The request to recruit has the SLA agreement, therefore each RM should review and plan each campaign with these times frames in mind.

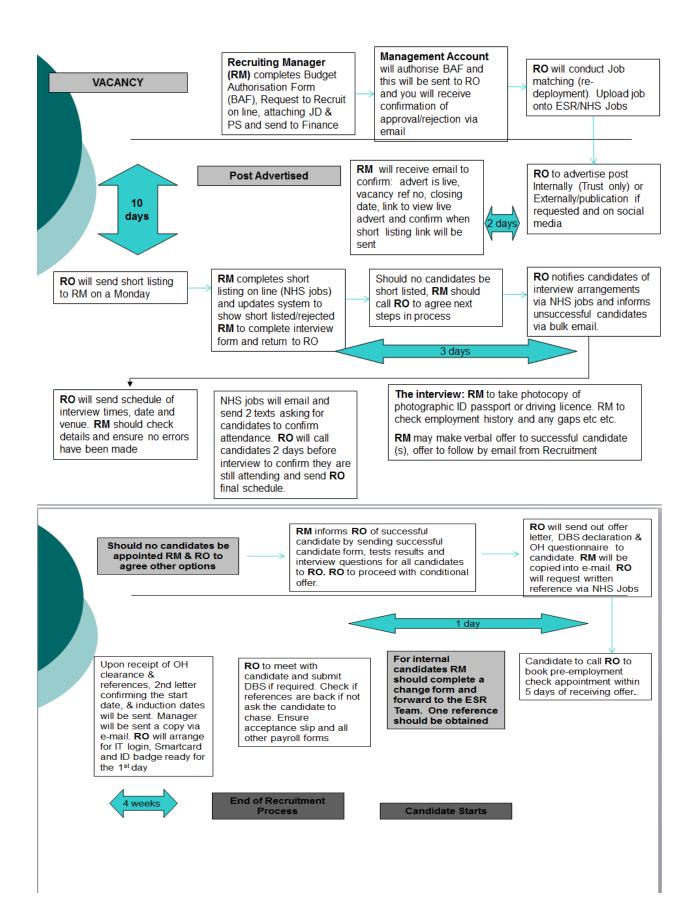

#### 45. Documentation

- 45.1. The Recruitment Team will ensure each employee has an electronic HR file which will have a checklist signed to confirm all the pre-employment checks have been satisfactory and the relevant documents have been saved into the file.

#### 46. Policy Review

46.1. The Director of Human Resources & Corporate Affairs will monitor and review the policy and present any necessary changes to the Joint Staff Committee

#### Appendix B Recruitment Process Guidance Notes.

#### These notes are linked to the steps in the process map

1. As soon as an employee hands in their notice, a leaver form should be sent to the ESR team to avoid over payment by the Recruiting Manager.

Before initiating the recruitment process, Recruiting Managers (RM) should review their team to see if they still require the same post to deliver the service. The RM should also review the Job Description (JD) and Person Specification (PS) to make sure that it is up-to-date and relevant. If this results in the JD being changed significantly, the role may need to be re-evaluated by the locality HR team. When reviewing the PS, if qualifications are marked as essential then the successful candidate must have that qualification and certificates must be obtained for the HR file.

To avoid any delays later RM should plan and agree timescales with members who will be involved in short listing & interviewing process, so times can be held in diaries a minimum of 3 individuals is required to ensure equality. RM's should also consider types of assessment (Interview, presentations, role-plays, online tests etc) at this stage and discuss them with the RO. RO's have different levels of numeracy and literacy tests that can be provided which are all conducted on line.

2. To commence the recruitment process the RM must complete the Budget Authorisation Form (BAF) and send to their Management Accountant (MA). No recruitment process can be initiated until the BAF has been authorised and returned to the RM. This form is designed to ensure Finance and HR has all the necessary information to ensure systems in both teams are accurate.

3. Upon receipt of the BAF, the relevant MA will check to see if there is sufficient budget to recruit to the relevant post. MA will also check whether the position already exists in ESR. If the post is new (either because of new funding or a role has been regarded), the MA will complete a 'New Position Form' and send it to the ESR team. MA should return the BAF to RM within 1 working day of receipt.

The ESR team will ensure they action the New Position Form within 1 working day of receipt and send the position number to the relevant Recruitment Officer.

4. RM will need to complete the Request to Recruit Form (R2R) and send it to the Recruitment Officer who looks after their area.

RM will need to provide all the necessary information regarding the role, including the JD and PS and wording for the advert.

In order to prevent delays in the system, it is advised that this is completed while awaiting the return of the BAF.

Unfortunately under no circumstances will the Recruitment Team action any requests to recruit until we have the following forms fully completed and authorised: BAF, R2R, JD and PS.

5. Upon receipt of the R2R, the appropriate Recruitment Officer (RO) will review the form and contact the RM within 1 working day to confirm receipt. This is the time for the RM and RO to agree the process going forward. The RO should check that they have all the required information at this time to complete the process.

If the RM requires advertising (or other routes to market) other than the online recruitment tool, the RO will advise on possible publications and websites. Please be aware that this can significantly add to the cost and timescales. Any advertising costs will need to be authorised by the RM's budget holder and all costs will be recharged.

RM's should put the interview date in the advert, this enables potential candidates to ensure they are available should they be shortlisted. The date can always be altered at a later stage. RMs are also requested to ensure that the contact name given in the advert is available during the lifetime of the advert.

6. RO will confirm when the post is live on the website, job reference number and log in details to the online recruitment tool.

7. At this stage the advert will be live online, for 10 working days.

The timeframe for the advert can be adjusted for shorter or longer periods after discussion with the relevant RO. Please bear in mind that shorter periods may result in insufficient applicants due to fewer people seeing the advert and being able to respond to it. Longer periods are especially useful at times of heavy annual leave use i.e. Christmas/New Year and summer, as there is more chance of the advert being seen.

Every advert will state we reserve the right to close adverts early if we receive a high volume of applications. All adverts will close once we have 50 completed applications. RM to agree with RO if they wish to extend this number, all applications will have to be reviewed when shortlisting.

RMs can review applications as and when applications are submitted; this is good practice for posts that are likely to attract large numbers of applicants to prevent delay in the short listing process and to establish the calibre of applicants.

RO will update candidate status on the online recruitment tool and confirm once this is done to RM, so that the short listing can be done.

All candidates should be reviewed against the criteria in the PS, please note that you CANNOT add *new* criteria.

Once the short listing has been completed, RM should update the candidate status and arrange interview slots, when scheduling interviews RM should book interview room and any equipment that is needed. Adequate gaps should be left between each interview slot to avoid over-running. This should take place within 2 working days, this time should have been pre-booked in diaries prior to the recruitment process commencing. Please note that if interviews are taking place for more than one day then the panel should be the same for all days to avoid discrimination.

If there are no suitable applicants at this stage, the RM should discuss with the RO what the next steps should be. At the time of re-advertising the post, the content should be

reviewed with the aim of attracting candidates. Other routes to market such as recruitment agencies may be wished to be considered in extreme cases.

RO will notify all candidates who are short listed via the online recruitment tool along with an SMS through NHS net to log on and confirm interview slot and inform unsuccessful candidates. RM is responsible for providing feedback to any candidate who requests it. It is therefore recommended that the RM keeps notes of all short listing decisions.

RO will e-mail RM all the relevant forms that will be required for the interview: these are: Successful candidate form, Interview questions template, Reference form, RA01 (for RiO card) and the Feedback questionnaire.

RM can log on to the online recruitment tool and check the interview schedule.

On the day of the interview RM should ensure the room is accessible and ready (taking into account any disability related requirements from shortlisted candidates, taking into consideration offering candidates water, layout of room etc. RM should inform reception of candidate names and agree who will meet and greet the candidate from reception to the interview room.

At the interview RM should check and photocopy the candidates passport & visa details along with professional Pin, professional qualifications & payslip, RM should check telephone & E-mail details for referees, if the PS states qualifications are essentials for the post proof should be seen. All candidates are asked to bring the above documentation to interview.

RM is able to make a verbal conditional offer the post to the successful candidate verbally, prior to offering verbally RM MUST check the non-employable staff spreadsheet to ensure we are not employing staff who have left previously whilst under investigation or due to professional misconduct. RM should inform candidate they will receive confirmation from HR.

If after the interviews RM is unable to appoint a suitable candidate RM should contact the RO to discuss further options.

After the verbal offer has been made RM should complete the Successful Candidate form (SC) and scan the interview notes as soon as possible and forward to RO, so an offer letter can be sent out.

PLEASE ENSURE THE SUCCESSFUL CANDIDATE IS INFORMED THE OFFER IS CONDITIONAL AND WE MAY WITHDRAW SHOULD THE PRE EMPLOYMENT CHECKS NOT BE SATISFACTORY TO US, THESE CHECKS INCLUDE, REFERENCSES, **DBS** DISCLSORE AND OCCUPATIONAL HEALTH.

References and Occupational Health should not take longer than 2 working weeks to obtain, especially if the candidate assists the Trust in ensuring they chase their own referees and attend any Occupational Health appointments promptly.

The RO will also contact all unsuccessful interviewees through NHS Jobs for all posts. RM may wish to contact the unsuccessful applicants directly (this is at the RM's discretion but is good practice). All internal candidates must be contacted by the RM and face to face feedback must be given.

8. The RM should inform the RO of the successful candidates (SC) within 1 working day of making a decision. They should make it clear what has been decided about the SC's notice and start date. This must be done by completing a successful candidate form and sending all the photocopies (passport, visa, professional pin, qualifications and payslip.

Upon receipt of all the above forms from the RM, RO will send SC a conditional offer letter, **DBS** declaration form, OH questionnaire and payroll forms. SC will complete all forms then contact RM to agree a potential start date and book an **appointment** *for pre-employment checks* with the RO.

If the SC is already a member of ELFT staff the RO will issue an internal offer letter. It is then the responsibility of the RM and the SC to negotiate a start date with the SC's current line manager. When the internal candidate starts, the RM should complete a change form and send it to the ESR team informing them of all the changes. If the SC was a bank employee and is now substantive, a New Starter Form needs to be completed by the RO. For all internal candidates 1 reference from the current managers will be obtained. OH will be completed if the SC is changing job type ie from admin to clinical or started with the Trust more than 5 years ago.

Upon receipt of OH clearance and references a confirmation letter will be sent to SC confirming start date and induction dates. RM will receive a copy of the induction timetable from the Training Department. A copy of the letter will be sent to SC & RM.

All New Starters are booked to attend the Trust Corporate Induction (the first Monday of the month unless that Monday is a Bank Holiday).

#### Acceptable documents for refugees and asylum seekers

Refugees will not normally have a passport and are unlikely to have copies of other official documents, such as birth certificates or photo identity cards. When granted leave to remain in the UK, a refugee will be issued with an Immigration Status Document (ISD) by the Home Office, which will indicate their refugee status. This document can be used to verify both their identity and their right to work in the UK. They may also have a travel document which can be accepted to verify their identity.
