Request:

I would be grateful if you could provide the following:

- 1. Details of any demand side response (DSR) agreements between your organisation and National Grid, including the dates of those agreements**
- 2. Copies of any of the above agreements, or relevant letters/emails exchanged with National Grid if you do not hold a formal agreement document**

I am only seeking details/copies of agreements made in the last two years.

Answer:

The Trust does not have a DSR agreement in place at present and will be reviewing suitability in the new year.
