EasyRead version

East London NHS Trust runs mental health and community health services.

We wrote this information to help you understand your rights.

This is an EasyRead version of **Admission to Hospital for Assessment (Section 2 of the Mental Health Act 1983)**.

The Mental Health Act is the law that tells people with a **mental disorder** about their rights and how they can be treated.

Mental disorder means a disorder or disability of the mind such as:

- a mental illness

- a learning disability

- a personality disorder.

About you

Your name:

Name of the person in charge of your care:

The name of your hospital and ward:

Why you are in hospital

You are in this hospital because 2 doctors and an Approved Mental Health Professional think you need treatment or care.

You must stay here so we can find out what is wrong and how to help you.

The Mental Health Act says we can keep you here for up to 28 days.

You cannot leave during this time unless the person in charge of your care says you can.

You cannot leave during this time unless the person in charge of your care says you can.

Staff can stop you if you try to leave.

We can bring you back if you do leave.

Your 28 days will end at:

Date

Time

What happens next

The person in charge of your care can say if you are well enough to leave hospital.

If they decide you need to stay in hospital for longer they must do this before the end of the 28 days.

This will be under Section 3 of the Mental Health Act.

Staff will give you another leaflet about this.

Your treatment

The person in charge of your care and other staff will talk about your treatment in hospital. You usually have to agree to what they say.

There are different rules for special treatments like ECT (Electro Convulsive Therapy). Staff will talk to you if you need them and give you another leaflet.

If you do not agree with this

You can ask the **Hospital Managers** to let you leave hospital at any time.

The Hospital Managers are a group who decide if people should be kept in hospital.

They might want to talk to you before they decide.

You can ask a member of staff to help you contact the Hospital Managers or write to them at:

Your Nearest Relative can also ask the Hospital Managers to let you leave hospital.

If they do, we have to let you leave after 72 hours unless you might be a danger to yourself or other people.

If they refuse, your Nearest Relative cannot ask again for 6 months.

You can also ask a **Tribunal** to say you can leave hospital.

You must do this in the first 14 days that you are in hospital.

About the Tribunal

The Tribunal is a group who can decide if you should leave hospital. They do not work for the NHS.

The Tribunal will read reports about you and your care. One of them will come and talk to you.

Then they have a meeting with you and staff who know you. This is called a **hearing**.

You can ask someone to come and help you at this meeting.

How to contact the Tribunal

Telephone: 0845 2232022

Write to: The Tribunals Service
PO Box 8793
5th Floor
Leicester
LE1 8BN

Your solicitor can write to the Tribunal and help you at the meeting. You do not have to pay them.

The hospital and the Law Society have a list of solicitors who do this.

Independent mental health advocate

You can have support from an independent mental health advocate if you want it.

The advocate is independent. This means they do not work for the NHS or anyone else involved in your care.

They can:

- tell you about your rights

- help you understand what is happening

- help you tell people what you want.

- help you with the Tribunal.

Ask the staff where there is a telephone for you to talk to the advocacy service in private.

The telephone number for the advocacy service is:

You can ask a member of staff to telephone them for you.

Telling your Nearest Relative

We will give your Nearest Relative a copy of this leaflet.

The staff can give you a leaflet about who your Nearest Relative is and what they can do.

We have been told your Nearest Relative is:

If you do not want them to have a copy of this leaflet, please tell your nurse or a member of staff.

You can ask the county court to change your Nearest Relative. The staff can give you a leaflet about this.

Your letters

We will give you all the letters that are sent to you.

You can write letters to anyone, unless people say they do not want letters from you.

If you write to them, we will stop the letters.

The Code of Practice

The Code of Practice tells staff how to treat people under the Mental Health Act.

They have to think about it when they decide about your care.

You can ask to see a copy of the Code.

How to complain

Please tell the staff if you are not happy with your care and treatment in hospital.

If they cannot sort things out they will tell you how to complain. They can also tell you about people like an independent mental health advocate who can help you.

If you are not happy with how the hospital deals with your complaint you can tell the Care Quality Commission. They do not work for the NHS and check that people use the Mental Health Act properly.

Staff can give you a leaflet about how to contact the Commission.

How to find out more

Please ask the person who gave you this leaflet or other member of staff if:

- you do not understand anything

- you want to ask any questions

- you want a copy of this leaflet for someone else.
