Answer: Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

- (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
- (b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health Trust and does not treat inpatients with Hartmann IV solution, therefore we cannot provide this information.
