

## Newham Ability Camp

The Newham Ability Camp is a multi-sports club which aims to give children and young adults with disabilities their first steps into sport.

This club is open to any young person or young adult with any disability and you are invited to come along and try out all of the different sports we offer.

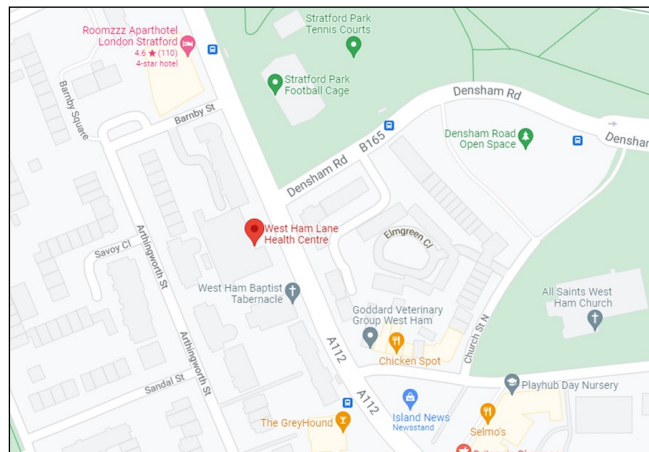

These sports can include Football, Cricket, Table Tennis, Athletics, Volleyball, Basketball, Badminton, Frisbee, Archery, Fitness, Fencing, Softball and more.

Telephone: 07811 671082

## Local Offer

There is a variety of activities in Newham which are being run by a range of groups, organisations and agencies. The local borough is working to make sure that all events and activities are as accessible as possible.

## Developmental Coordination Disorder (DCD)

Resources & Local Organisations

## OT ELFT SCYPS YouTube Channel

 Visit the occupational Therapy ELFT SCYPS YouTube channel to watch and learn from generic videos with simple strategies and techniques that you can use to support you child with their daily activities.

## Can Child DCD Workshop

The online workshop is designed to increase your knowledge about Developmental Coordination Disorder and other motor coordination challenges and to increase your confidence in supporting a child's development and participation.

In this workshop, motor activities are highlighted at home, school and at play that are challenging for children with DCD and strategies are provided to help support children's development and participation within the home, school and community.

## Dyspraxia Foundation

The Foundation seeks every opportunity to increase understanding of Dyspraxia, particularly among professionals in health and education.

 It is committed to making the teaching and medical professionals more aware of dyspraxia and to spread understanding of how those who have the condition can be helped [www.dyspraxiafoundation.org.uk](http://www.dyspraxiafoundation.org.uk)

## Movement Matters

Movement Matters is the UK umbrella organisation representing the major national groups concerned with children and adults with Developmental Coordination Disorder (DCD). It is an umbrella group to bring together the key bodies, such as Dyspraxia Foundation and National Handwriting Association, involved in children with DCD in the UK.
