WELCOME BACK :)

## End of Feb. already!

Howdy folks,

We hope everyone had a good Maha Shivratri!

It's been a dreary and blustery February, but the spring flowers are finally starting to push through, and so can we! :D

And good luck to anybody practicing Lent this year!

Till next week, stay safe~

## Black Beetle Health

FOR LGBTQ+ PEOPLE OF COLOUR

We would like to share a fantastic resource - the great work of the people at Black Beetle Health!

They are a very busy charity, working hard to improve the healthcare and equality for LGBTQ+ people of colour, in the UK and beyond.

They host podcasts, newsletters and even hold events throughout the year!

## THE NON-BINARY 'ISSUE'

### WHY AS A STRAIGHT ALLY DO I NEED TO USE PRONOUNS?

We often hear from uneducated folks that 'they don't need/use pronouns', but everyone uses pronouns; trans or cis. As a non-binary person, or naturally intersex, using pronouns such as 'they/them', 'ze/zir' or 'xe/xir' recognises they exist outside of just male/female.
