

Barracudas Activity Day Camps Corporate newsletter!

3 weeks till Easter!

Only 3 weeks to go until Easter! We are super excited to be running at 41 locations- the most camps we have ever run during this season! We are open from 3rd-14th April at these sites and we still have spaces to book! Employees can book now and still benefit from some great discounts on weekly and daily bookings.

Specialist courses & official Football camps 2023!

We're pleased to be running specialist Baking and Coding courses at selected camps this Easter. We've also got 3 football camps running this Easter. We've partnered with Norwich City CSF, Palace for Life Foundation and West Ham United Foundation so children get the chance to train with the professionals!

February Recap!

We're thrilled with how February half term went! We saw lots of old and new faces- with lots of smiles all round! We even managed to run our first ever Rocketeers session with a group of children from Huntingdon. The children loved this session, as you can see in the photo above! We are looking forward to seeing even more pictures and videos from our Easter camps from this brand new skills builder.

Don't forget your employees can get £20 off a week, £5 off a day and half price extended hours with your unique code!
