SHARPSGUARD®
Sharps Container

REMEMBER! Always dispose of sharps at the points of use.

Assemble correctly... snap lid on all around firmly and fill in label details.

Place on bracket OR take to point of use in a POUDS® tray.

Lock door when contents reach fill line.

Ensure container door is in the open position before use.

Complete label and tag the bin.

Close temporary closure when not in use.

Remove container and dispose of according to your local policy.
