

PEAK SAVE ON ELECTRIC WITH BRITISH GAS

British Gas customers can get half price electricity every Sunday between 11am-4pm until 24 September, if they are signed up for PeakSave Summer Sundays.

Depending on amount of energy used, estimated saving of up to £30 during the duration of this summer scheme. Half of energy cost during these Sunday hours will be credited back to account as PeakSave Credit.

Most summer electricity goes on washing machines, dishwashers, ovens and showers. Worth waiting until the five hour Sunday timeslot to do a blitz on laundry, oven cooking, etc.

Eligibility Terms and Conditions

- Discount is only for customers who have a smart meter.
- Anyone already signed up for previous PeakSave scheme doesn't need to do anything, discount will be applied automatically.
- Otherwise, need to sign up to the scheme on British Gas website. British Gas are limiting the number of customers on this scheme, so don't delay in signing up.
