

Free Massages for Staff

In line with the ELFT's continuous commitment to improving the working lives of staff, we are pleased to once again introduce free massage sessions for staff.

These massage sessions last for 20 minutes per person. They are a chance to de-stress and release muscle tension through a mix of chair massage, shiatsu, or even remedial massage for injuries. Please see dates, venues and links to reserve a place below

Venue	Date	Address	Link to Reserve a Session
