Supermarket savings

Eat, drink, and be merry – for less of the cost!

Did you know that supermarket food costs around 12.5%* more than it did last year? Your Lifestyle Savings employee benefit can help you save on your festive favourites with a range of delicious discounts from the UK's leading supermarkets

Terms and conditions apply.
Home and Electronics is provided via a salary sacrifice arrangement

Emergency replacements and upgrades

Access the items you need – when you need them

There's never a good time for an item to break down, but the festive season makes it that little bit more stressful. With Home and Electronics, you can spread the cost of these big budget items to ensure you're never caught short

- ✓ No credit checks
- ✓ No deposit

Energy-efficient technology

Smart products to help you save pounds

Investing in smart technology and appliances that are cheap to run could reduce your energy consumption and help bring down your household bills. To make ordering a new appliance more manageable, you can spread the cost through Home and Electronics

- ✓ No credit checks
- ✓ No deposit

Microwaves

Air fryers

Slow cookers

Smart bulbs

Smart plugs
