

## Understanding your child's Autism diagnosis

### Newham Autism Workshop and Coffee Mornings for Parents/Carers 2024

Are you a parent/carer of a child or young person who has recently been given a diagnosis of Autism?

You are invited to attend a group workshop at Lord Lister Health Centre to learn more about this diagnosis and strategies that can help to support your child.

The workshops will be hosted at Lord Lister Health Centre by professionals from the CHAND team, alongside a parent who has support to offer based on their personal experiences.

[Book a place online using the links below:](#)
