

NHS CAREERS FAIR

350 CAREERS. ONE NHS. YOUR FUTURE.

Holiday Inn – Stevenage
14 March, 10am - 5pm*

*Last entry at 4.30pm

Career information and support for refugees and other people in the local area. Whatever your background, or whether your experience is working in this country or outside of the UK, the NHS has just the role for you.

That's why we're hosting a careers fair which will give you all the information you need to start a fulfilling career in the NHS. Alongside support with CV writing and interview skills, community organisations will be available to provide information and support on living and working in the local area.

- Are you interested in continuing your career as a doctor, nurse or midwife?
- Do you have experience as a care giver?
- Are you looking for a non-clinical role or entry level role, for example: healthcare support worker, administrator, or IT technician?

Everyone working in the NHS contributes to vital services.

Whatever your skills, qualifications or interests, there is a career for you in the NHS.

We can help with information, advice and employment support to help you find the right role for you.
