Request: Pursuant to the UK's Public Records Act, I hereby request the following:

Question 1: A list of the number of all employees accused or arrested on charges of child sexual abuse from January 1, 2019, until the day this request is fulfilled.

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 40 for the FOI Act states:

(2) This exemption covers the personal data of third parties (anyone other than the requester) where complying with the request would breach any of the principles in the UK GDPR.

The information you have requested relates to less than five individuals and has the potential for those individuals to be identified. The Trust is therefore unable to provide this information.

Please consider the timeframe listed in request (1) above for all subsequent requests below.

Question 2: A breakdown of the different crimes reported: rape, grooming, groping, lewd acts, anal or vaginal penetration, and other examples listed as crime by the Home Office.

Answer: The Trust has reviewed question 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not record information regarding staff that are accused or arrested for criminal offences unless they lead to a formal process in line with Trust policy, and is therefore unable to provide a response.

Question 3: All disciplinary files or records of employees investigated for child sexual abuse. This request relates to employees whose names have already been released into the public domain and as such, Section 40 of the Act which exempts sensitive information on the identity of these employees cannot be applied to this request.

Answer: The Trust has reviewed question 3 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 40 for the FOI Act states:

(2) This exemption covers the personal data of third parties (anyone other than the requester) where complying with the request would breach any of the principles in the UK GDPR.

The information you have requested relates to less than five individuals and has the potential for those individuals to be identified. The Trust is therefore unable to provide this information.

Question 4: An annual summary from 2019 of all legal costs, settlements, or restitution paid to affected families of these children.
