Cyber Security Manager	<p>The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.</p> <p>Section 31(1)(a) of the FOI Act states: <i>31(1) Information which is not exempt information by virtue of section 30 is exempt information if its disclosure under this Act would, or would be likely to, prejudice (a) the prevention or detection of crime,</i></p> <p>The information requested, if released into the public domain, could have the potential to identify weaknesses within the Trust's digital infrastructure, leaving it open to cyber threat and could give intelligence to any potential hacker or state actor on our maturity and resources. Additionally this information would identify staff which could lead to them being targeted. For this reason an exemption has been applied.</p>
