

OCCUPATIONAL THERAPY SCHOOL NOTICEBOARD UPDATES FOR SEPTEMBER 2024

ANNOUNCEMENTS

CHANGES IN THE SCHOOLS MODEL

We are now entering the 3rd year of our OT School Model. We have worked alongside so many schools, forming some very exciting and unique partnerships. This year we will continue to work in Hub Teams supporting schools as best we can. We will also be working on meeting some of the statutory requirements and assessing more children for EHCPs.

GET SET FOR LEARNING UPDATE

Following successfully setting up over 30 Get Set For Learning Groups last year and hearing some great feedback from staff, we hope to continue this programme as we move through the new school year.

We are working hard to have all the processes set up and ready for the second half of this term.

SCHOOL TRAINING UPDATE

We are busy recording the Top Five trainings that were requested and attended last year, making training more accessible for staff to access more convenient times.

a big THANKYOU!

a message from the Hub 1 OT's:

It's been a busy school year, and our hub has truly enjoyed working with all the staff and students! It's been wonderful to connect with some of the parents during various coffee mornings we have held last year. We were especially thrilled to start these coffee morning events in secondary schools!

A big thank you to Sarah Bonnell School for hosting our parent coffee morning and giving us a tour of your lovely campus!

We also appreciate all of the staff at RONEC who made the training sessions so enjoyable and engaging. The training and modelling session for the Get Set For Learning Group at RONEC was delightful!

We greatly appreciate the work you do

OT'S EXCITING LAUNCHES

EDUCATION AND HEALTH CARE PLAN WEBPAGE

We have recently released an education and health care plan page that details lots of information about how the EHCP assessment pathway works.

Please take a look if you would like to find out more:

KS1 OT PARENT COACHING GROUPS

Following the huge success of our pre-school OT parent coaching groups, we have now launched a new KS1 parent coaching group!

If a family is reporting that their KS1 age child is having OT related difficulties at home please discuss this with your OT hub lead.

EDUCATION PACK UPDATES

We have updated our education resource pack, which can be accessed by visiting our schools webpage or following this link:

This is a great resource to find out more about what is OT, some common conditions and how to support children and young people with over 15 different life skills!

Some of the topics we have recently added are:

- Clothes fastening
- Wearing a tie
- Period management
- Organisational skills
- Grading and adapting tasks
- Accessing a new environment
- Managing transitions between activities

UNIVERSAL RESOURCES

We have an excellent bank of resources available on our website and YouTube channel which provide strategies and approaches to help with a range of difficulties that your students may face.
