**Request:** Could I please receive the relevant data from 01/01/2022 up until the date of receipt of this FOI request.

**Question 1:** How many patients who were either:

- receiving mental health treatment after being referred to the trust, or;
- on a waiting list for treatment after being referred to mental health services under the trust;

have been involuntarily discharged because they registered with a new GP practice in a different location.

**Answer:** The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:  
*Any person making a request for information to a public authority is entitled—*  
*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*  
*(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not record information on involuntary discharge of patients as requested and is therefore unable to provide a response.

**Question 2:** How many of the patients contained within (Q1), if known, were switching to a university health centre, or a GP practice local to their university.
