

Have you started a new Health Care job or joined a UK Health Care professional register since 1st January 2021?

## **Contribute to Research into Retention of UK Health Care Workforce**

### **The UK-REACH cohort**

(United Kingdom Research study into Ethnicity And COVID-19 outcomes in Health care workers) **is recruiting new participants** for the current study:

**Increasing retention of healthcare staff from ethnic minority groups (UK-REACH - I-CARE).**

**If you have joined the UK health care workforce since 1st January 2021 then we want to hear from you.**

*We welcome people from all communities to take part.*

Register at: <https://www.uk-reach.org/main/referral/EL>

or email [uk-reach@leicester.ac.uk](mailto:uk-reach@leicester.ac.uk) for more information.

**(Existing UK-REACH study participants can complete the questionnaire now by logging into your UK-REACH account.)**
