

SEND Health Focus Week

Are you a parent/carer or professional working with children or young people with Special Educational Needs or Disabilities (SEND) in Central Bedfordshire?

Come and join us for some interesting and engaging workshops and information sessions hosted by your local community health providers in collaboration with SNAP Parent Carer Forum, week commencing 29th November (virtually via teams).

For more information on each session and to book a place for free, click on the links below.
